To whom it may concern,

This is a reference letter for photographer, Jon Jewell of Calgary.

I worked with Jon while I worked at both SAIT and Bow Valley College. At both post-secondary institutions, I hired him to take headshots as well as crossing-the-stage photos for the graduating classes for several years.

Jon was always very professional and great to work with. He was proactive to book our required dates multiple times a year and addressed any concerns we had or changes we wanted to make with the set up and locations.

He's great with students, getting them in and out of the makeshift studio on campus, in a timely manner and the photos I've seen have looked great.

As I think it's important to support local talent, I would recommend Jon to do your future graduation photos.

Please don't hesitate to contact me if you have any future questions at leanne_makinson@hotmail.com.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Makinson", written on a white rectangular background.
